luna.agency

DON'T PANIC

luna.agency is a well established Austrian marketing agency based in Vienna and Innsbruck. To cover the needs of our customers in a fast-paced digital world we started our in-house development department called **luna-x**. The aim of luna-x is to apply the newest technologies and IT-trends (serverless microservices, blockchain, IoT etc.) to marketing.

We are currently looking for a motivated and talented

Fullstack Software Engineer aka Code Wizard

to beef up the luna-x team in **Vienna.**

Do you love to work in a small and independent team? Do you see challenges rather than problems? Do you think outside the box? Well, you've come to the right place.

Your responsibilities:
- Improving our existing technology stack
- Designing and developing new features
- Testing and reviewing newest technologies

Your skill sets and experiences:
- University/high school degree in IT (university, FH, HTL)
- At least 2 years of professional experience in software development
- Experienced with **scalable web projects**
- Hands-on experience with **microservices** and **serverless** infrastructure (AWS, Google Cloud, MS Azure)
- Expert knowledge of the usual programming languages and databases (SQL, NoSQL)
- **Clean code** advocate
- Fast learner and always excited to discover something new

What we offer:
- The best of both worlds: **Startup mentality** in a well established company
- Flexible and **dev-friendly** working times with the possibility of **home office**
- Hardware of your choice (Macbook, Dell, Thinkpad etc.)
- Working with an agile framework (**SCRUM**)
- The possibility to propose and implement your own product ideas
- **Flat hierarchy** and short decision making processes
- **Free drinks** and **free coffee**
- Brand new office located in the **center of Vienna**
- Exciting and nerdy discussions during lunch breaks (from quantum computers to the deeper meaning of **42**)

You can expect a competitive compensation based on your experience (minimum gross salary: € 40.000,- per year).

If you have any questions don't hesitate to contact us. We are looking forward to receiving your application (email to hire@luna.agency)!
